HYDROTHERAPY TREATMENTS

Aquaroma Programme

Water treatments are an age - old tradition. Today, hydrotherapy remains at the heart of Spa expertise: water provides immediate, visible results, notably in terms of well - being and relaxation. In this context, Decléor decided to develop aquaroma, a programme with 100% original treatments that combine the benefits of water flow, essential oils and algae in 4 treatment categories:

Relax, Flow, Detox And Tonic

Aquaroma Relax Hydrotherapy Bath

De-Stress, Unwind

Aquaroma Flow Hydrotherapy Bath

Activate, Stimulate Circulation

Aquaroma Detox Hydrotherapy Bath

Detoxify, Drain

Aquaroma Tonic Hydrotherapy Bath

Firm, Regenerate

DECLÉOR AROMA SKIN CARE TREATMENTS

Aromaplasty (1 hour 30 minutes)

Treatment for all skin types. It is a 100% natural multi - active decongesting care treatment. Made of a cocktail of Vitamins, mainly Vitamin E and proteins, offers hydrating anti-ageing, anti-oxidant, anti inflammatory and healing properties, and improves microcirculation. It is recommended as the first step in Decléor facial programmes.

FACIAL INTEGRAL TREATMENTS

Nutrivital

for dry skin (1 hour 30 minutes)

Oxygenating

for combination and oily skin (1 hour 30 minutes)

Revitalising

for mature skin (1 hour 30 minutes)

Harmony

for sensitive skin (1 hour 30 minutes)

SPECIFIC FACIAL TREATMENTS

Regulating (1 hour)

For combination and oily skin. It helps to regulate and absorb excess sebum. It oxygenates the skin and restores a radiant complexion. The complexion becomes more luminous and fresher, the pores close up, and the skin's texture is refined.

Nutri - Soïn (1 hour)

For dry, dehydrated skin. Nutri-soïn is a dual action treatment, which nourishes and hydrates thanks to the action of a pro-liposome solution associated with a hydrating solution. It restores a smooth appearance on very dry skin.

Wrinkles and fine lines are "plumped out" and the epidermis is visibly refreshed.

Harmonie Douceur Extreme (1 hour)

For very sensitive and reactive skin. It smoothes and calms the epidermis giving immediate comfort and results. It normalizes tolerance levels and combats redness. The soothing action quickly rebalances the skin and restores smoothness and comfort.

Evidence (1 hour)

For mature skin. It produces excellent results as an anti-ageing treatment and helps to slow down the appearance of fine lines and wrinkles. It restores a smooth, young and rested appearance to the skin and a radiant complexion, thanks to the combination of marine algae rich in minerals, essential oils and plant extracts.

ADDITIONAL TREATMENTS

Vital Eyes

(45 minutes)

It helps to combat bags and dark circles due to tiredness. It drains and removes puffiness.

Alpha + Treatment

(45 minutes)

Suitable for all skin types especially for dull complexions, it erases fine lines and wrinkles. It is an excellent surface micro exfoliation treatment which helps the skin look even more radiant and softer.

Whitening Treatment

(1 hour)

It controls and normalizes melanin production. It prevents and neutralizes the appearance of dark spots. It brightens up the epidermis, restores lost radiance to the complexion and tones down pigmentation marks.

Spa Mosaic Peeling

(30 minutes)

An exfoliation body treatment with Mosaic Powder or Crème Exfoliante. The skin becomes soft as silk. Ideal for preparing the skin before using a self-tanning product or going on holiday in the sun.

Treatment For Hands And Nails

(45 minutes to 1 hour)

A hand treatment, with or without a manicure, is the perfect solution for anyone who has dry, cracked hands or brittle nails. This treatment hydrates and softens rough skin, strengthens the nails and prevents the appearance of liver spots.

Treatment For Men

Skin Fitness Essentiel (Express Cleaning Treatment)

(1 hour)

Skin Fitness Expert (Deep energizing treatment)

(1 hour and 30 minutes)

Golden Dream

Tanning Preparation Treatment

(30 minutes for face – 45 minutes for body)

The Decléor professional self - tanning treatment is the safest and most pleasant way of getting a tan in just a few hours. It will not only make you look tanned but will also prepare the skin for further exposure to the sun.

Mother To Be

(45 minutes to 1 hour)

Decléor has developed a programme for the face and body which caters to the needs of all mothers-to-be.

During pregnancy, why not abandon yourself to your wildest desires and dreams and ask from our beauty therapist to produce a tailor-made treatment programme especially for you.

With this treatment is the best way to preserve all the healthy qualities of soft, youthful skin, and a fresh, luminous complexion.

Purifying Rebalancing Treatment

(1 hour)

Is the first step in obtaining a healthy looking complexion and a mat appearance for those with an oily skin. It gently cleanses the dead skin cells and leaves the skin clean and healthy looking. This treatment is suitable for combination or oily skin, helps balance the hydro-lipidic film and regulate the sebaceous secretions. It promotes healthy looking skin, a more even skin tone, tightens pores and long lasting matte appearance.

Secrets To Beautiful Eyes

(30 minutes)

The eye contour area has very few sweat and sebaceous glands, and as a result is always the first area to reveal premature signs of aging, fine lines, and crows-feet. It erases signs of fatigue, smoothes fine lines, and wrinkles. Immediately reduces puffiness and dark circles around the eyes. It is the best instant treatment for youthful looking eyes. The result is fresh, smooth, and relaxed eye contour.
